

Oregon Coast Intensive Summer English Program

Experience the amazing Oregon Coast while developing your academic English skills at the same time!

Southwestern's Summer Program

In this program, you will study English full-time during the Summer Term. You will take classes in academic reading and writing, listening and speaking, and American culture. You will also learn valuable skills for success at the U.S. college and university level.

While you study, you will also have the chance to work with an academic advisor one-on-one to help you develop your future college and career plan.

Our Summer Program cost includes full-time English instruction and course materials, shared on-campus housing, and meals in our campus dining hall.

After successful completion of our Summer English Program, students will be prepared to begin US college-level courses for the Fall Term at Southwestern.

Make a smoother transition to American college life!

You may join this program if:

- You have completed or will complete high school/secondary school before the beginning of the Summer Program start date: June 25, 2018.
- You have scored a 35 or higher on the TOEFL iBT exam, 4.5 IELTS, or equivalent.
- You will turn 18 years old by December 15, 2018.
- You can fulfill Southwestern Oregon Community College's general international student admission requirements.
