Leisure and lessons in just the right mixture

It's nice when everything comes together perfectly right from the start. Each of our schools is staffed year round with professional language teachers.

From elementary to advanced level everyone is welcome: our courses cater for a range of ages, as well as different language levels. We also have a leisure programme which is well organized and extremely diverse. Everyone is encouraged to use their newly learned language throughout!

This is why we want you to explore your school's surroundings and all it has to offer. Our schools provide a bridge to the local culture and customs of the region: something we have been successfully doing for the past 35 years.

Our schools in Malta are accredited by **Feltom**. Our schools in London Ealing and Brighton (homestay) have been inspected and accredited by the **British Council**.

Our language programmes in Canada are accredited by **Languages Canada** and **CEC** Quality Management in Canada.

Our German institution is a member of **FDSV** and **ISO** certified.

SPRACHCAFFE is a member of **ALTO** and **WYSE**.

Our schools in Barcelona and Málaga are accredited by **Instituto Cervantes**. Our schools in the USA are accredited by **ACCET**.

Our courses

Regardless of your choice of course, you'll have the chance to develop your language ability both quickly and effectively. Our **Standard Course**, of 20 lessons per week, aims to give a dramatic boost to your confidence in a foreign language, with focused teaching in all 4 skill areas: speaking, listening, reading and writing. Our **Intensive Course** builds on our Standard Course, with 10 additional lessons per week, focusing on the fastest possible language acquisition.

Workshops

1. Business English helps developing skills such as email writing, leading meetings, target group vocabulary and the use of idioms.

2. Job Applications & Interviews is designed as an aid for job applications. It covers vocabulary and functional tailor-made language.

3. Communication Skills offers you assistance for elaborate conversations and advice when implementing advanced communication strategies.

4. Public Speaking & Presentations helps strengthening confidence in front of larger audiences (e.g. professional or academic presentations).

5. English Drama helps you to develop your abilities as an actor and to perform a play in front of an audience.

Teaching time

The **Standard Course** generally takes place from 9:00h to 12:30h, Mon -Fri. Students who choose the **Intensive Course** have 2 additional lessons focused on conversation from 13:00h to 14:30h. Our **Standard Plus Course** (24 lessons per week) helps you to obtain the F1 visa to the USA.

Depending on the location, standard classes are sometimes held in the afternoon. Class sizes are on average 15 students per class.

Evaluation & Certificate

Students are placed into classes according to their current language skills. The majority of our students take an online language test prior to commencing their programme, however if this is not available, students may take the exam on the first Monday of their course. Students receive an end-of-course certificate.

Learning materials are provided to students on loan (5 - 10 EUR/week) throughout their course.

LEARNING AND A LOT OF SHEER FUN FOR YOU

SPEND TIME MAKING FRIENDS

Supervision

Throughout the trip learners are accompanied by our "Teamers" – young adults between the ages of 20 and 30 who have been specially trained to accommodate the requirements of our young learners. Our Teamers come from all over Europe and America, and communicate with students exclusively in the language being taught. Each Teamer is responsible for the supervision of around 15 students, travelling with the group, leading guided tours and activities, checking where

the students are going during their free time, as well as staying with them at the residence. Teamers are also responsible for the organisation of the leisure activity programme. Students aged 17 and under are expected to observe a curfew and follow the full leisure programme. Students aged between 18 and 20 also enjoy the complete support of the Teamers, and while not bound by the leisure programme, they are encouraged to take part in any activities which are of interest to them.

Leisure programme

The learning journey continues as soon as classes finish! With our comprehensive leisure programme students have the opportunity to really discover their chosen destination. A two-week language course generally includes a big variety of activities plus at least one full-day excursion and two half-day excursions (see table below for more details). Of course, students are also given some free time to socialise in the afternoons and evenings!

Transfer

Our U20 programmes offer the full package – students are in good hands from arrival to departure. Students will be picked up at the airport upon arrival and taken to their accommodation. For this, we require the student’s full flight details at least 4 weeks before the course begins. Transfer time windows vary depending on the destination, and detailed information can be found on the individual school pages.

Students travel to and from the airport with their fellow classmates, most of whom they will be meeting for the first time. The transfer provides students with the first opportunity to make new friends. Students generally check in to their accommodation in the afternoon and vacate their room in the morning on the day of departure. They may be asked to pay a key deposit which will be returned on departure.

Unaccompanied Minor Service

With our unaccompanied minor service parents are informed of the name, telephone number and the address of the transfer driver in advance of the start of the trip.

The driver brings students to check-in, not to the gate.

Please note that we only offer the unaccompanied minor service if this is required by the airline booked for the flight of your child.

We understand that a good night's sleep can play an integral role in promoting effective learning. That is why we do everything possible to ensure your home away from home is comfortable. We provide a range of accommodation options, with something to suit every taste and budget – whichever option you choose, you'll feel at home from day one! In rare cases we reserve the right to offer accommodation not identical to that mentioned in this brochure. If needed, a travel card for public transportation might additionally cost between 15 to 35 EUR/USD/GBP/CAD.

YOUR STAY – ACCOMMODATION

Meals, allergies & dietary needs

We understand that sampling new food can play a big part in discovering a new country and its culture.

Students are provided with breakfast, dinner and either a cooked or packed lunch (which consists of a sandwich, a drink and a dessert/snack).

Students always have the opportunity to try something typical of the country. Each year we welcome thousands of students to our schools and boast over 35 years of experience in catering to students with a variety of dietary needs.

We ask you to let us know of any allergies/dietary requirements when making your booking, as well as information about any medicines you take. This information is given to the Teamers and, if necessary, the homestay (surcharge may apply).

Homestay

By staying with locals, students discover the customs and habits of their destination right from the start, sampling authentic local cuisine and discovering how the locals really live. Learning continues even when lessons have finished. Our friendly hosts are experienced in hosting international students and play an integral part in their learning experience.

A few homestays may be located outside of the centre, which means students get to know parts of the destination typically undiscovered by tourists.

Joint accommodation: If you're planning to travel with friends and would like to share your room with someone in particular, please let us know well in advance, so we can take this into consideration when allocating accommodation. We can't guarantee all requests, but we will do our best!

Residence / College

At a residence, students usually stay closer to school than they would with a homestay, which means less travel time and more time enjoying their surroundings. They will get to stay with other students from all over the world, allowing them to use their new language skills in an international environment. Our Teamers also stay at the residence. Our Colleges offer accommodation and classes all in one place.

Our **Club Village in Malta** is truly unique. The accommodation is right on campus, alongside the language school, swimming pool, restaurant and sports facilities. Choose from a range of room types, from a twin to a 7-bed-room. Our Teamers also stay in the Club Village. Our breathtaking campus consists of striking limestone buildings, which truly captures the spirit of this Mediterranean paradise.

FOREIGN LANGUAGE + WORKING EXPERIENCE = ENJOYABLE VACATION

Au Pair / Language Assistant

If you like travelling to a foreign country, you can now experience it in a very special way – as an au pair. This is your chance to have a whole new cultural experience. For several months you will be living with a host family, taking care of their children and helping with small housekeeping duties. However, you will have enough free time to get to know new people and travel around. Besides gaining valuable experience, your time as an au pair should help you master the

local language. To ensure that you have the correct foundations of your destination country's language, we can first teach you the basics in one of our 30 centres worldwide and then help you find the host family.

How to apply

Fill in the application and you will receive several documents including the forms for references. A personal letter to your host family and a picture of yourself will complete your application.

1. Finding the perfect host family

After a further check of your application it will be passed on to a potential homestay. They will contact you either by email, skype or telephone.
